

# TRANSFORMING THE CITY TRANSFER

## STATION TO SUPPORT RECYCLING

The Santa Fe Solid Waste Management Agency will host a public forum to discuss the addition of a Material Recovery (Recycling) Facility at the City of Santa Fe Transfer Station.

If you are interested in the future of recycling in Santa Fe please join us for a presentation of the proposed project as well as an opportunity to discuss what this important effort will do for recycling in Santa Fe.

Gonzales Elementary is located at 851 West Alameda, just west of Saint Francis Drive
